ADMISSIONS

Shelton State operates under an open door admission policy and any high school graduate or GED recipient is eligible to attend. Simply pick up an application form from the Admissions Office, complete it and return it to the college. An official transcript must be sent from your high school or a GED certificate must be given to the Admissions Office. Once your application is filed, you are provisionally admitted and need only to register for classes. Regardless of whether you are a new or transfer student, your transcript must be received by Mid-term or your course work will be converted to noncredit. All tuition and fees must be paid before you are officially registered. Tuition may be paid by cash, check, or credit card.

NOTES:

TRANSFER OF COURSES: College advisors are assigned to help you complete your schedule. However, it is your responsibility to make sure you have satisfied all course prerequisites and to determine who a course will be accepted at the senior institution where you plan to transfer.

PREREQUISITES: Before you enroll in a course, you must satisfy all prerequisites (including ASSET scores) of that course. If you enroll in a course where you have not fulfilled all prerequisites, you may not receive credit for that course.

CLASS CANCELLATIONS: Shelton State reserves the right to cancel any class. Should a cancellation occur, you must see a counselor or your advisor for necessary schedule adjustments.

STUDENT I.D. CARDS: An I.D. card will be issued at registration. These student activity cards are required to check out books from the library; be admitted to social, cultural, and athletic events; vote in student elections; and use for other occasions requiring identification.

ASSIGNMENT OF INSTRUCTORS: The assignment of instructors to classes listed in this schedule is tentative. The college reserves the right to change the instructor assigned to any class offered on this schedule.

★ Although the publisher of the Schedule of Classes has made every reasonable effort to attain factual accuracy herein, no responsibility is assumed for editorial, clerical, or printing errors, or error occasioned by honest mistake. ALL INFORMATION IN THIS SCHEDULE OF CLASSES IS SUBJECT TO CHANGE BY SHELTON STATE WITHOUT PRIOR NOTICE.

★ It is the official policy of the Alabama Department of Postsecondary Education, including all postsecondary institutions under the control of the State Board of Education, that no person in Alabama shall, on the grounds of race, color, disability, sex, religion, creed, national origin or age be excluded from participation in, be denied the benefits of or be subjected to discrimination under any program, activity or employment.

ADULT BASIC EDUCATION
